About Bohemian Nights Presents Concerts at the Armory

[Bohemian Nights Presents Concerts at the Armory](#) is a year-round ticketed concert series bringing local and national artists together to perform at Fort Collins' historic Armory building at 314 E. Mountain Ave. The series aims to add to Fort Collins' variety of live music offerings; to provide a high-quality listening experience in an intimate environment that emphasizes the connection between audience members and performers; and to offer local performers opportunities to build relationships with nationally known artists.

Since its construction in 1907, Fort Collins' historic Armory building has functioned as a space for public gathering and entertainment. The building served as the community's first permanent National Guard Armory, housing about 60 National Guardsmen. Its drill hall doubled as a public hall for Northern Colorado's social and civic events. When a new armory was built on College Avenue in 1922, the building was vacated by the National Guard. Since then, the Armory building on Mountain Avenue has served the community in various ways, including as a roller skating rink, a laundry, a meeting hall, office and retail space, and now as a music venue.

[Bohemian Nights Presents Concerts at the Armory](#) is part of Bohemian Nights' many music offerings, which also include [Bohemian Nights Presents Thursday Night Live](#), a free weekly summer concert series, and [Bohemian Nights at NewWestFest](#), a free annual music festival slated

for Aug. 11, 12 and 13, 2017 in downtown Fort Collins. Bohemian Nights offers new, emerging and established Colorado artists an opportunity to share live music with community members. Visit bohemiannights.org for more information about all Bohemian Nights music events.
